Define a category: Social Networking

Description (2000 char):

Circles is a photo-sharing social networking app with daily prompts to encourage small groups of families and friends to stay in touch. *Circles* works by providing fun daily prompts for family members to send into their groups. Sample prompts include “It’s a beautiful day outside. Send a pic of you touching grass!” or “We love our furry friends. Send a picture of your pet!”. We hope this app can help connect small groups of friends, families, teams and more in a fun way to bring everyone together. Enjoy!

Keywords (100 char): social media, photo, sharing, families, friends, groups, circles
